

DRIVING ASSESSMENT

Are you concerned about a loved one's ability to drive?

Has your GP recommended that you have a Driving Assessment?

Would you like to know for sure that you are safe on the road?

Have you had an accident or injury which requires you to have a driving assessment before returning to driving?

Here at SSRG, we have an experienced Occupational Therapist who is also a certified Driving Assessor who has the expertise to assist you.

Our OT Driving Assessor can offer you:

- Screening of your general abilities
- Comprehensive and holistic assessment including off road and on road components
- Provision of comprehensive report outlining your skills and any concerns
- Advice and prescription of specific car modifications
- Specialist advice on assistive devices and equipment
- Return to driving training or rehabilitation
- Advice on community access options if driving is no longer recommended
